SECTION I. EVENTS

1. Affiant states that the living man Anthony Redler hereinafter “Tony” acknowledged, signed, and submitted the Bilateral Social Compact Agreement by and between the people for the States of the Union of The United States of America thereby claiming Tony’s person exists as one of the people within the metes and bounds and seaward boundaries of The United States of America on (February 6th, 2022) entering into a government body politic in accordance with the codified *Law of Nations*, and

2. On (August 23rd, 2022) Tony accepted, acknowledged, and affirmed that Tony's particular Nationality as an American National is counted as one of a permanent population for the States of the Union further entering into a government body politic within the metes and bounds and seaward boundaries of The United States of America evidenced in **Exhibit 1** within this Affidavit, and
3. Affiant's Private Membership Association registered with the governmental political party known as North American National Party for The United States of America foreign to the corporate political parties of the United States corporation on (March 15th, 2022 through March 17th, 2022) internationally published Three (3) consecutive days evidenced in **Exhibit 2** within this Affidavit, and
4. Affiant acknowledges that the vehicle Affiant was operating was a rental vehicle registered within the parent corporate STATE hereinafter "corporate State" arbitrarily in the name of the constitutional State of Florida rented to Didier, Jean, Pierre Redler. Affiant also acknowledges that Affiant had been operating a motor vehicle above the recommended posted speed of safety, and
5. On (September 11th, 2022) Affiant was subjected to pain compliance, kidnapped, and held for ransom by Respondent 1 and Respondent 2 under the supervision of Respondent 3 operating in the foreign political subdivision wherein Respondent 4 holds the title of "Sheriff", alleging unlawful speed and traveling without a foreign corporate State Driver's License. Affiant was pulled over while operating said motor vehicle by Respondent 1 and Respondent 2, and
6. Respondent 1 requested Affiant's driver license and received Affiant's constitutional State of Florida Driver's License issued by the North American National Party then returned to Respondent's vehicle. After a moment Respondent 1 and Respondent 2 returned to the vehicle Affiant was operating and notified Affiant that the constitutional State of Florida Driver's License is not valid and inquired whether Affiant had another valid license. Affiant explained that the Driver's License issued by the North American National Party is valid. Affiant then informed Respondent 1 and Respondent 2 that all the information needed by Respondents are on the constitutional State of Florida Driver's License, and
7. Respondent 1 inquired about Affiant's address and Affiant's spouse answered that all the information was provided on the constitutional State of Florida Driver's License. Respondent 1 stated that there was no address, only numbers, and Affiant's spouse explained that the address provided is a Natural Area Code hereinafter "NAC", but Respondent 1 requested an arbitrary physical United States Postal Service hereinafter "USPS" address. Affiant's spouse attempted to explain that the only address Affiant has is an NAC and Respondent 1 stated "you live in a house, so what is the address?", and
8. Respondent 1 momentarily left, came back, and had Affiant step out the vehicle refusing to give a reason. Respondent 1 then asked Affiant to follow Respondent 1 to a foreign registered agent

vehicle. Respondent 1 placed Affiant's hands in handcuffs and informed Affiant's spouse to stay in the vehicle or Affiant's spouse would be arrested too, and

9. Affiant was taken away in Respondent 1's vehicle. Affiant's spouse went to the foreign registered agent vehicle to inquire where Affiant would be transported to but Respondent 1 did not respond or open the window and proceeded to leave with Affiant without informing where Affiant would be taken to, and
10. Affiant's spouse and family followed Respondent 1 and Respondent 2 for approximately Forty (40) minutes to the Monroe County Detention Center. Arriving at the Monroe County Detention Center, Respondent 2 came to the vehicle Affiant's spouse occupied to request the phone number of Affiant's spouse. Affiant's spouse attempted to explain that the constitutional State of Florida Driver's License is valid. Respondent 2 stated again that the Driver's License is not valid for the corporate State and the North American National Party was not a familiar Party. Respondent 2 stated the sergeant was contacted and the sergeant stated that the constitutional State of Florida Driver's License is not valid in the corporate State. Affiant's spouse stated to Respondent 2 that Affiant's nationality was denied and Respondent 2 stated that Affiant's Nationality was not denied but the constitutional State of Florida Driver's License is not valid in the corporate State. Respondent 2 stated that a check within the 50 corporate Commonwealths and States produced no results evidenced in **Exhibit 3**, and
11. Later Affiant's spouse received a phone call from the Monroe County Detention Center to inform Affiant's spouse that a ransom in the amount of Three Hundred Twenty-eight Dollars (328) would need paid to release Affiant. Affiant's stated that legal counsel had been contacted and that Affiant's spouse would call back, and
12. Inside the Monroe County Detention Center, Respondent 1 asked Affiant to sit down and explained everything to other agents in the admissions office. During this time an agent took Affiant's personal effects and shoes and gave Affiant a bracelet with Affiant's name and gave Affiant's shoes to wear, and
13. Immediately after, a medical staff employee requested Affiant come for the medical check-up. The employee checked Affiant thoroughly and asked Affiant questions pertaining to Affiant's potential smoking, drinking, and drug use. Affiant answered "no" to the inquiries and was then asked to sign a document for the medical check-up. Affiant then sat and waited as Affiant had no knowledge as to what events may occur following Affiant's kidnapping, and
14. One of the staff employees then asked for Affiant's address wherein Affiant explained that Affiant's address is a Natural Area Code. The employee replied: "I don't know nothing about that" and left Affiant. After few minutes the employee returned providing two options: 1) Affiant give a real address and Affiant's spouse could come with the ransom to pay the bond and Affiant could leave the detention center tonight, and 2) If Affiant does not provide the address Affiant has to stay in the detention center for the night and tomorrow morning the judge will tell Affiant how

much the bond will be. The employee stated the minimum of Five Hundred Dollars (500) or more depending on what the judge decides, and

15. Affiant answered that of course Affiant wanted to leave the detention center that evening but Affiant once again stated to the employee that Affiant's address is a Natural Area Code. The employee became upset and told Affiant to give Affiant's address and pay the ransom or Affiant stays in the detention center. Affiant agreed to point to Affiant's residence on a map and employee provided a map of google earth. Affiant provided the geographical location for Affiant's NAC to the employee, and
16. After a short period the same agent that took Affiant's personal effects earlier came to escort Affiant for pictures capturing Affiant's face and tattoo. The agent asked Affiant to sign a paper arbitrarily for another person held at the detention center. The agent then placed Affiant in a cell structure without asking Affiant to sign the correct document, and
17. After an extended period the same agent came back once again to take Affiant's hand and fingers prints then again captured pictures of Affiant and Affiant's tattoo. The agent then asked Affiant to sign more documents and gave Affiant one document among several to sign, keeping the other several documents. The agent gave Affiant a piece of paper with Affiant's name and inmate number to be able to call, and
18. The agent escorted Affiant to a phone and asked Affiant to follow the instructions. When Affiant took the phone a voice asked Affiant to repeat select sentences and stated Affiant's voice would be recorded. Affiant repeated approximately Twenty (20) sentences which were posted on the wall. Affiant finally spoke with Affiant's spouse and Affiant told Affiant's spouse exactly what the agents told Affiant. Affiant then requested Affiant's spouse come with the exact ransom amount. After the call the agent escorted Affiant back to a cell structure, and
19. Affiant's spouse entered the Monroe County Detention Center with Affiant's father Didier, Jean, Pierre Redler to pay the ransom for Affiants release. Affiant's spouse and father spoke with an agent before taking an elevator to enter the detaining area and the agent demanded Three Hundred Seventy-three Dollars (373) for Affiant's ransom instead of the ransom amount stated earlier. Affiant's spouse attempted to explain that Affiant stated a different amount earlier but another agent came to the speaker and demanded the updated ransom amount stating "I don't care what he said, if you have it, bring it up. The exact amount no change", and
20. After an extended period a new agent came and told Affiant that Affiant's spouse paid the ransom and began the process of releasing Affiant. Again, captured pictures of Affiant were taken and Affiant was asked to sign a cash appearance bond evidenced in **Exhibit 4**. The agent escorted Affiant to a room to give Affiant's clothes and personal effects back including but not limited to Affiant's constitutional State of Florida Driver's License evidenced in **Exhibit 5**, and
21. The agent asked Affiant to sign more documents for personal effects and detention center effects return, gave Affiant the Sheriff's receipt evidenced in **Exhibit 6**, a Twenty Dollar (20) ransom

receipt evidenced in **Exhibit 7**, an unlawful speed document evidenced in **Exhibit 8**, a driving without a license document evidenced in **Exhibit 9**, and asked for Affiant's initials for one document to leave the detention center. The agent then escorted Affiant to the elevator to go outside and Affiant was finally returned to Affiant's spouse and family. A document for a hearing at the Sixteenth Judicial Circuit Branch Court Division Freeman Justice Center located at (302 Fleming St. Key West, FL) on (September 29th, 2022) was included with Affiant's release evidenced in **Exhibit 10**, and

22. On (September 21st, 2022) Affiant requested Elisabeth Chalaca Odou hereinafter "Witness" to call the Clerk at Freeman Justice Center to obtain the Case Number forcefully associated with ANTHONY REDLER, PMA for record. During the conversation Witness was informed that the date and venue for the scheduled hearing had changed to (September 22nd, 2022) whereas the Clerk informed witness that a notice had been sent approximately One (1) week prior to Affiant utilizing a USPS address not associated with ANTHONY REDLER, PMA, and
23. Affiant was present with Witness at the demanded time for the changed hearing and venue at the Sixteenth Judicial Circuit Branch Courthouse located at (3117 Overseas Highway, Marathon, FL) involving Respondent 5 and Respondent 6 under supervision of Respondent 7 as President of Florida Bar Association, a private association integrated into the corporate judiciary of the corporate State. Upon the calling of ANTHONY REDLER's name, it was conveyed that said name is a private membership association and that Witness was present as a translator for Affiant to assist in proper communication whereas Affiant's fluent language is French. Witness handed the Notice of Representation and Change of Venue evidenced in **Exhibit 11** to the clerk then handed to Respondent 5. At the conclusion of said Notice Respondent 5 stated Witness would not be allowed as Translator for Affiant thereby creating a barrier in communication between the Affiant and Respondent 5 wherein Affiant would not be able to understand language pertaining to the allegations presented. Respondent 5 stated no knowledge or understanding of a "private membership association" thereby creating a further barrier of communication as to Affiant's duties, obligations, and rights and issued another hearing date for (October 11th, 2022) evidenced in **Exhibit 12-1** and **Exhibit 12-2**, and

SECTION II. AVERMENT

General Principles of the Duties of a Nation toward Itself § 16 A nation is under an obligation to preserve itself*, and

Such actions of designating the registered NANP member as a security interest to bring credit into existence in the form of U.S. Dollars otherwise known as Fiat currency with no value or substance arbitrarily hold Affiant responsible for payment of said bond(s) without remedy to discharge fully. Affiant cannot discharge an

obligation within the foreign political subdivision or corporate State with promissory Note currency owned by Bank of England within the metes and bounds of the satanic Masonic City of London Corporation wherein Respondent 8 is Mayor thereof, therefore ANTHONY REDLER, PMA hereby claims liability against all Respondent 8 for Debt Slavery. NOTICE OF REPRESENTATION/ CHANGE OF VENUE

To: All parties associating collectively in the Trafficking of ANTHONY REDLER's PERSON, or any other variation of the name, hereinafter "Victim", into the foreign political subdivision of County of Monroe [LINK](#) within the Parent Corporation arbitrarily in the name of the constitutional State of Florida [LINK](#), a foreign political subdivision of United States corporation [LINK](#),

In the matter of ANTHONY REDLER, PMA, a registered member of the North American National Party for the constitutional States of the union of The United States of America [LINK](#), it is now recognized that agents for a division of the Florida Department of Highway Safety and Motor Vehicles [LINK](#) have arbitrarily trafficked Victim into the foreign political subdivision of the parent corporation, State of Florida, and the Internal Revenue Trust. Video evidence has been obtained regarding agents Gonzalez #5004 and Williamson #3859 kidnapping, forced detainment, and forced contracting approved by Richard A. Ramsay upon Victim held for ransom in the amount of - 373 USD (negative amount recognized whereas the United States corporation is bankrupt and operates on credits for PERSONS utilized as collateral in the form of security interests) [PUBLIC—No. 10—73D CONGRESS] [H.R. 3835] TITLE III—FINANCING—AND EXERCISING POWER CONFERRED BY SECTION 8 or ARTICLE I OF THE CONSTITUTION: TO COIN MONET AND TO REGULATE THE VALUE THEREOF Section 43 (b)(1) page 24 [LINK](#). It has been recognized that Victim's Driver's License was returned to Victim upon Victim's release and Victim's PERSON has been arbitrarily changed to REDLER, ANTHONY as a security interest.

As Representative for Victim, William Emory Reffett, hereinafter "Representative" [LINK](#), hereby notifies all parties associating collectively in the trafficking of Victim that all proceedings going forward should be directed to the Great Jury for the General Post Union of The United States of America, hereinafter "Great Jury", in the matter of excessive speeding and any USD collected in the ransom of Victim should be rightfully returned to the person that posted said

ransom. Victim is foreign to the political subdivision's corporate proceedings referencing statutes and Victim has inalienable rights and obligations in accordance with the codified *Law of Nations* and Public Laws-101, formerly known as the Universal Declaration of Human Rights [LINK](#), and subject to the jurisdiction and venue of the real, legal, and lawful public Tribunals of and for The United States of America.

Any proceeding forced upon Victim within the foreign political subdivision of County of Monroe shall be acknowledged as Victim operating under duress and shall be further evidence of Trafficking in Persons. Victim is currently drafting an Affidavit regarding the event that occurred on the 176th Day in the Year of Yahweh 6024, translated the 11th day of September in the two thousand and twenty-second year of the new covenant in Yahushua's name to be utilized as the initial Claim and shall be submitted to the Great Jury for review of possible violations committed upon Victim. It is the intention of Representative to remedy the actions committed by all parties associating collectively in the trafficking of Victim to avoid possible proceedings within the Tribunals of and for The United States of America wherein upon the issuance of a Judgment and Order all parties PERSONS may be subject to Federal Common Law Liens placed upon said PERSONS.

It is acknowledged that the Bar associates acting as legal counsel for the judicial officers in the foreign political subdivisions of the parent corporation, State of Florida, with Ron DeSantis as key Principal, are not operating under the United States Constitution as said Constitution is "*for*" the United States of America as stated in the Preamble [LINK](#) wherein the offices of the United States of America are vacant arbitrarily occupied by members of the United States corporation. This evidence verifies that there are no legally recognized legislative officials or judicial officers in the foreign political subdivisions of the corporate Commonwealths and States of the United States corporation and said associates are operating for the private banking institutions for the private Federal Reserve System whose members are under oath to the Crown, the Lord Mayor of City of London Corporation [LINK](#). Under the United States Constitution Article I Section 8. Clause 10 all legislative officials and judicial officers within the corporate Commonwealths, States, and the United States corporation would be on trial for Treason.

Evidence of legal and lawful jurisdiction and venue provided here: [LINK](#)

It is now prayed that cooperation in this matter may be conducted in accordance with Yahushua's Two (2) Commandments; (1) You must love Yahweh your Father with all your heart, and with all your soul, and with all your might (2) You shall love your neighbor as yourself.
