

American National assembly of The United States of America

INTERNATIONAL AND NATIONAL PUBLIC NOTICE

Objection and Notice of Trespass

We, the declared residents and affirmed American Nationals of the American National assembly in the metes and bounds and seaward boundaries of The United States of America in social compact, (hereinafter “the assembly”), object to and give notice of trespass of the Virginia Jural Assembly, also known as Virginia De Jure Assembly (hereinafter “the Virginia Jural Assembly”) as a body politic as well as its purported social compact, and

We the assembly, have first in time and first in right and therefore there are certain steps that need to be taken to enter the States of the Union, and

Each member of the private association known as the Virginia Jural Assembly never finished their naturalization into the original States of the Union and the assembly objects to the Virginia Jural Assembly entering the original States of the Union and The United States of America, and

The members of the Virginia Jural Assembly changed the original social compact without a States of the Union vote to change anything, so these are grounds for objection and refuse entrance into the original States of the Union, and

The members of the Virginia Jural Assembly never left the United States and never entered into the State of Virginia. “The inhabitants, as distinguished from citizens, are foreigners, who are permitted to settle and stay in the country. Bound to society by their residence, they are subject to the laws of the state, while they reside in it; and they are obliged to defend it, because it grants them protection, though they do not participate in all the rights of citizens. They enjoy only the advantages which the law or custom gives them. The perpetual inhabitants are those who have received the right of perpetual residence. These are a kind of citizens of an inferior order, and are united to the society, without participating in all its advantages. Their children follow the condition of their fathers; and as the state has given to these the right of perpetual residence, their right passes to their posterity.” (Law of Nations, Book 1: Nations in Themselves section 213), and

The members of the Virginia Jural Assembly have not displayed the ability to enter into

foreign relations and do not have the capacity to enter into relations with other States because the State of Virginia is not populated, and

The members of the Virginia Jural Assembly do not have a permanent population within the State of Virginia, and

The members of the Virginia Jural Assembly do not have control of the territory of the State of Virginia, and

The members of the Virginia Jural Assembly do not have a defined territory and it was never given to them, and

The members of the Virginia Jural Assembly are forcing the American National assembly of The United States of America to associate with the Virginia Jural Assembly, wherein, any and all torts committed by the Virginia Jural Assembly become the liability of the American National assembly of The United States of America, and

The members of the Virginia Jural Assembly have stolen a lot of information and have been using it without permission, and

The American National assembly of The United States of America rebukes any association with the Virginia Jural Assembly and therefore the Virginia Jural Assembly cannot enter into the States of the Union nor the State of Virginia nor The United States of America.

Affidavits are coming forward of those who have witnessed what this notice is claiming.
